RE:JESUS PT. 2: Lead with Love like our Lord

We either walk with Jesus in the light or we wander without Him in the darkness. We can either live in harmony with Him or fight a war against Him. Every decision we make has repercussions on our lives and on the world around us. And that's scary. But we can't live in fear. Yes, we will be tested in trials by fire. The storms in life can leave us adrift. Life can even be like a bow that brings us to our near breaking point. Despite this, remember there is a purpose. We are being shaped into a masterpiece. Cling on to the promise that Jesus is our anchor in the storm. Know that the farther we are pulled back, the farther He will launch us forward.

Continue to be a light and build a legacy, knowing that you will be forged through fire to become a leader. Be united in faith with your church and use your spiritual gifts. When conflict comes, continue to strengthen one another, forgive one another, and love one another by being imitators of Christ. Do justice, love kindness, and walk humbly like Jesus so the world will know the story of His birth, death, and resurrection.

There is an African proverb that says, "If you want to go fast, go alone, but if you want to go far, go together." So go with your church. Be a light and build a legacy by encouraging and forgiving one another. Go with Jesus and know that He is with you to the very end of the age.
